

Home Improvement Lending

Program Highlights

For contractor information and reference only. Do not reproduce or redistribute in any manner. Please refer interested customers to Admirals Bank to answer any questions or to begin the application process.

Your Business with Admirals Bank

The financing provided by Admirals Bank can provide your customers with the funds necessary to purchase their home improvement projects.

As an FHA approved lender, Admirals Bank is a leading national provider of the Title I Home Improvement Loan.

Our experienced Business Development Team is readily available to process your customer's financial requests.

We offer qualified customers up to \$50,000 for home improvements and we can prequalify financing applicants in minutes!
